FACILITIES @ IME

Pedagogy

IME follows a pedagogy involving a mix of various modern and interactive forms apart from the lecture method. The others being an over whelming use of the Case method, Role-plays, Presentations, Computer simulations, live field Projects. Besides, student's participation in each academic and beyond academic activities is ensured.

Industry Interaction

Regular interaction with senior industry personnel gives students a taste of what is going on in the industry and they are able to appreciate concepts taught in the class room better.

Consultancy to Corporate

IME frequently organizes EDP's & FDP's and also provides consultancy in various areas as per the requirement of the organization.

Multi-Faced Development

IME ensures all round personality development of the students. Apart from academics, the students participate in all beyond academic activities. Students can be members of various clubs. These clubs organize activities for their chosen functions including competitions and short term projects.

J-Gate

J-gate provides seamless access to millions of journals and publishers. Presently it has a massive database of journals, literature link to full text at publisher sites. J-Gate also plans to support document delivery, archiving and other related services. It offers scholarly and technical electronic journal literature. J-Gate so subset of J-Gate and indexes, E-journals in the fields of Technology, Computer Science etc. Journals Coverage : 6700 Indexes.

Computer Centre

The campus has state-of-the-art computer centre that provides facilities comprising of the latest machines linked to a wide range of software, communication and print services. Computer facilities are an integral part of any institution. IME offers excellent computer facilities in its state-of-art computer labs.

Wi-Fi Facility

Internet is available 24x7 at the campus through a leased line of 20 MBPS 1:1 and is Wi-Fi enabled. Hostellers are also provided with internet connectivity.

Seminars & Conferences

IME organizes every year "International Conference" in each December and also "National Conferences" every year in March & September along with symposia by students. Debates, Quizzes, Presentations, Extempore, Role Play etc are regular features of IME.

Sports & Gymnasium

Students require a healthy mind in a healthy body. IME provides regular sports facilities. The facilities for both indoor and outdoor games are excellent, including fully equipped gym.

IME Publications

The Institute publishes a bi-annual journal: "The IME Journal" which is a international level referred journal and has prominent academicians from India and abroad on its advisory board. It publishes Research Papers, Articles, Case Studies, Book Review, Bibliography, etc. The selection of the articles in this Journal is carried through a blind review process.

For enhancing knowledge and sharing the conceptualized experiences of the practitioners, IME also publishes in-house magazine, namely "Vaishnavi".

LEARNING RESOURCE

LEARNING Resource Centre

Learning Resource Centre

Developing Agile Leader

The industry today seeks not just knowledge workers, but action oriented leaders who adapt to changing situations with ease. At IME, the infrastructure has been designed with exceptional facilities for sports as well as recreational activities to ensure that you are groomed.

The Students' club is a committee elected by the students to represent their views, opinions and sentiments before the management effectively acting as a bridge between the students and the management. This club is the apex body of various clubs functional in IME and monitors their functioning, giving direction to their future activities. The club is the highest authority among students for conflict resolving and maintaining discipline. It works closely with the administration in enhancing the facilities and infrastructure at the campus and actively enforces the rules and regulations of the Institute. This students club participate in each academic and beyond academic activities, fest and festivals.

BEYOND ACADEMICS

Saving the Environment

IME realizes its duty towards saving the environment which is a victim of mindless development. It fulfills this social responsibility in many ways. Optimum usage of natural resources used by mankind is the basic need of the day to maintain required balance in nature. This theme is our mantra.

With the help of its students, IME has carried out plantation of saplings for enhancing greenery to save the environment and demonstrated live on "Food without Fire" etc.

The IME believes in practicing what it preaches. As a measure for conservation of the environment, there is a conscious attempt to reduce the consumption of paper as stationary which in turn would reduce the need of cutting trees for making paper. Used stationery blank on one side is reused for taking printouts. IME is spreading awareness on "Prayavaran" by publicity: special calendars, slogan on each IME's Ads and on other printing material.

Financial Assistance

IME provides help to the needy people at large by donating to PM relief fund, hospitals, handicapped people, children who lost their parents, charitable organizations etc.

Blood Donation Camp

Blood donation is a life saving activity. Each blood donation provides life to someone. The IME organizes blood donation camps twice a year in its campus. A large number of donors from students as well as staff donate blood generously during these camps.

Consumer and Investor Protection

The Institute is working with the Society for Consumers & Investors Protection to fight against any wrong being done to consumers or investors.

Sponsorship to Sports

The IME sponsors sports and games such as "Special Olympics Bharat", "Regional Women's Hockey Tournaments", "Para- Olympics", Sports Meet at National / State Level, Debates, Seminars and Symposium in NCR. The IME has been the main sponsor for the "Special Olympics" held in South Korea.
