

## Institutional distinctiveness

### 2016-17

The Institute of Management Education (IME) is a self-supporting, quality-conscious, and trend-setting institution dedicated to providing equitable opportunities for the development of human potential for all members of society, particularly those who are marginalized. The IME is a one-of-a-kind endeavor in which academics and professionals have come together to help and steer the educational agenda. With highly skilled and experienced faculty and state-of-the-art computer laboratories, the Institute boasts the greatest infrastructure and academic facilities. To groom students into tomorrow's Global Professionals, IME facilitates the acquisition of conceptual knowledge, skills, and the necessary behavioral traits. In terms of placement, IME not only has a regular supply of college recruiters, but we also have assurances for future collaborations and recruiting possibilities.

Every year, IME students obtain Gold Medals, merit certificates, and outstanding test scores. The institute's vision and purpose statements, which emphasize its uniqueness, are prominently displayed on the website.

### 2017-18

Academic Excellence, Research and Innovation, Professional Competence and Social Commitment, and Industry Institute Interaction are the four pillars of the Institute Development Philosophy, which reflects priorities such as Academic Excellence, Research and Innovation, Professional Competence and Social Commitment, and Industry Institute Interaction.

**Academic Excellence:** The first and fundamental pillar of IME's institutional growth has always been 'Academic Excellence.' The institute is known for its exceptional academic atmosphere, which is bolstered by a well-defined Teaching Learning Process that is implemented using a Plan-Do-Check-Act (P-D-C-A) method.

**Co-curricular and Extracurricular Activities:** IME believes in a holistic approach to education that meets students' intellectual, physical, emotional, spiritual, and social requirements, allowing them to be their best selves in the service of society as a whole.

#### Outcomes:

- Improved students understanding in domain knowledge
- Improved results and pass percentage
- Reduced backlogs and detention
- Improved placements and opting for higher studies

## 2018-19

IME is a quality conscious and trend setting Institute with focus on providing equal opportunities for development of human potentials for every segment of society including the differentiated one. The IME is a venture of its own kind where academics and professionals have joined hands to aid and direct the agenda of education. The unique learning environment at IME is built upon the bringing together of a personalized, student-centric community, within an open environment that embraces a rich diversity of individuals, ideas and approaches. IME is recognized for its quality in teaching and learning. In addition, the programs are recognized by the most prestigious associations in their respective fields. The Institute has been established to provide quality, content and direction of education. With a humanistic approach, entrepreneurial spirit, innovative vision, and focus on academic rigor, IME is committed to educating professionals and experts who will make a difference in our society. Our practice-based approach towards learning starts in the classroom help students to become international professionals-The Pioneer Institute is committed to give its best to all the stake holders,

- IME believe in the all-round development of the beginners.
- IME want to create an environment where our ethnicity and traditions go hand in hand with the material world.

## 2019-20

We at IME aim to nurture students to be responsible citizens of the country. We are continuously working towards:

- Creating conducive environment for students to gain insight into their academic pursuits to make them more employable and knowledgeable.
- To develop a wholesome personality of students we strive to provide more infrastructure for sports and extracurricular facilities.
- Continuously working to establish strong placement linkages.
- Conducting a large number of extension activities to impart health/ hygiene/ education to less privileged in the society.
- Using our own organic manure in college gardens.
- Conducting a large number of plantation drives.
- Safeguard our youth from the ills of tobacco smoke and substance abuse.
- Assisting to students for their psychological health through trained counsellors.

## 2020-21

At IME, we strive to help students grow into responsible citizens of the country. • Creating a suitable environment for students to obtain insight into their academic endeavors, allowing them to become more marketable and educated.

- We seek to provide greater infrastructure for sports and extracurricular facilities in order to help students develop a well-rounded personality.
- Constantly attempting to create strong placement ties.
- Organizing a vast number of extension programmes to teach the least fortunate in society about health, cleanliness, and education.
- In college gardens, we use our own organic manure.
- Organizing large-scale plantation drives.
- Protect our children from the dangers of tobacco use and substance misuse.
- Providing skilled counsellors to assist students with their psychological wellness.
