**ACTION TAKEN REPORT BASED ON STUDENT'S FEEDBACK**

S.NO	SUGGESTIONS RECEIVED	ACTION TAKEN
<u>1</u>	Library and placement should be improved	Accepted and additions of Books, Journals etc recommended by Library Committee have been initiated. A vast number of e-resources are available in library. A lot of Placement Drives are actively conducted regularly. Companies were brought on board to conduct online, offline, and on campus recruitment processes and provide work from home internship or job offers to students.
<u>2</u>	Need improvement in sports activities Need improvement in classes	The requirement has been communicated to the teacher of sports, principal and management committee. College could have improved the suggested improvement. Assets in the all classes are sufficient.
<u>3</u>	No information regarding studentcounselling is easy available	College has Student counseling cell, Grievance redressal system as well as Student wellness center however as suggested college has installed signage throughout the campus and details are available on college website also with contact details.
<u>4</u>	Fine should be reduced & Library time should be increased.	The fine is already minimal & applicable only in case of flouting the existing norms/rules. The Central Library is already functional from 9.00 AM to 4 PM. However the matter will be proposed in the concerned committee and the decision taken will be implemented.
<u>5</u>	Overall college is excellent.	Thank you for appreciation.
